

unicorn and monkey
save the kingdom

One day there was a unicorn
walking by a little forest and
then she met a baby monkey.

The monkey had eaten too
many bananas and then
his tummy started hurting.

The unicorn said "I
have a spell at home
that can help
your tummy stop
hurting."

The monkey went
home with the unicorn
and had 7 sips
of the special medicine
and it made his tummy
all better

"Thank you for helping me"
said the monkey. Then the
unicorn and the monkey walked
over a sweet bridge and then
they met a witch.

the witch was about to hurt the monkey and the unicorn, but as soon as the witch tried to blast them, the unicorn zapped her with her magical horn and the witch vanished. but can they save the day?

The witch was gone and
the kingdom was saved.
Then the unicorn and
the monkey played together
and became best friends
forever.
